

9th BALKAN CONGRESS OF SPORTS MEDICINE 15 - 18. June 1995, Belgrade Yugoslavia

Abacanac
'95 BELGRADE
15. 06. 1995,

**9th Balkan
Congress of
Sports Medicine**

Programme

**June 15-18, 1995
Belgrade
Yugoslavia**

PROGRAMME

At the time of going to press (four weeks before the Congress) not all of the authors of papers have registered, nor all session moderators confirmed their availability. Some changes in the programme may therefore occur.

CEREMONIAL OFFICIAL OPENING OF THE 9TH. CONGRESS OF ASMB

The ceremonial opening of the 9th. ASMB Congress shall take place on June 15, 1995, at 7 PM, Hall 1., Congress Center Sava-Belgrade.

Ceremonial dinner "BUSINESS CLUB", June 17, 1995, 8 P.M.
Ground floor, SAVA Center,

MEETINGS

The Meeting of the Assembly of the ASMB, June 16, 1995, 7 P.M. Hall 3
The Meeting of the Assembly of the SMS, June 18, 1995, 1 P.M. Hall 3

ROUND TABLES:

Round table: HEMOFARM
SINEDOL-GEL AND SPORT INJURIES
June 16, 1995, 1 P.M., (Hall 3)

ROUND TABLE: FOOD INDUSTRY "BAMBI" - Požarevac
NUTRITION AND SPORT - NUTRITIVE SUPPLEMENT "BAMBI PLUS"
June 17.6. 1 PM (Hall 3)

9th BALKAN CONGRESS OF SPORTS MEDICINE 15 - 18. June 1995, Belgrade Yugoslavia

TIME SCHEDULE FOR PARALLEL SESSIONS OF THE 9. CONGRESS -ASMB

15-18 juni, 1995, kongresni centar Sava, Beograd, Srbija, Jugoslavija

Date	Time	Hall "A"	Hall "B"
16.6.	9 AM-1 PM 11 AM Break	PHYSIOLOGY / BIOCHEMISTRY (1. part) 1-17*	GENERAL SUBJECTS (1. part) 1-17
16.6.	1 PM	ROUND TABLE: HEMOFARM SINEDOL-GEL AND SPORT INJURIES (Hall 3) Coctail Party	
16.6.	3 PM-7 PM 5 PM Break	PHYSIOLOGY / BIOCHEMISTRY (2. part) 18-35	GENERAL SUBJECTS (2. part) 18-35
16.6.	7 PM	<i>Conference of the ASMB Assembly</i>	
17.6.	9 AM-1 PM 11 AM Break	PHYSIOLOGY / BIOCHEMISTRY (3. part) 36-50	GENERAL SUBJECTS (3. part) 36-42 TRAUMATOLOGY (1. part) 1-13
17.6.	1 PM	ROUND TABLE: FOOD INDUSTRY "BAMBI" - Požarevac NUTRITION AND SPORT - NUTRITIVE SUPPLEMENT "BAMBI PLUS" (Hall 3) Coctail Party	
17.6.	3 PM-7 PM 5 PM Break	CHILDREN AND SPORT (1. part) 1-22	TRAUMATOLOGY (2. part) 14-27 CARDIOLOGY (1. part) 1-5
18.6.	9 AM-1 PM 11 AM Break	CHILDREN AND SPORT (2. part) 23-34 ECOLOGY 1-12	CARDIOLOGY (2. part) 6-16 DIAGNOSTICS (1. part) 1-10
18.6.	1 PM	<i>The Meeting of the Assembly of the SMS (Hall 3)</i>	
18.6.	3 PM-7 PM 5 PM Break	REHABILITATION 1-21	DIAGNOSTICS (2. part) 1-17 NUTRITION 1-10

* Note: Arabic numbers denote the authors and subject list numbers from the programme.

Physiology and Biochemistry

Moderators: Mujović, V., Jovanović T., Grujić S., Yorga I.

1. Šavić S., Marković P., Mihajlović M.
"Maximal Oxygen Uptake of Yugoslav Top Athletes in Sports Games"
2. Perić B.D., Perić D.S.
"Relationship between Arm Strength Parameters and Some Specific Personality Traits"
3. Miljković D.
"Investigations of Physical Fitness and Duration QT Interval by Harvard Step Tests in Young Sportsmen"
4. Šabotić S.
"The Role of Physiological Reaction and Physical Training in the Genesis of Cardio-Vascular and Other Leading Chronic Diseases of Basketball Players in Berane"
5. Rađen S., Obradović B., Milivojević M., Pavlica M., Stojanović S.
"Body Iron Status in Female Athletes"
6. Bubanj R., Branković M., Raković A.
"Structural and Biomechanical Analysis of Sports Walking"
7. Vukosav B., Grujić N., Lukač D., Bečejac R.
"The Status of Energy Capacity of Footballers of Various Competition Levels"
8. Yorga I., Tankosić S., Ljutić V., Pakaški D.
"The Effects of Different Exercise Programs on the Basal Metabolic Rate and Body Composition of middle aged men"
9. Yorga I., Tankosić S., Stričević M., Ljutić V., Pakaški D.
"The Exercise Programs - Muscle Fibre Types and Obesity"
10. Pavlović M., Kostić G., Butković M.
"Pulmonary Ventilation Test Results in Soccer Players of a First Division Club"
11. Rosetti A., Barbu I., Georgescu M., Haralambie V.
"Comparative Study Concerning Two Anaerobic Tests in Top Athletes"
12. Dragojević R., Živanić S., Životić-Vanović M., Dimitrijević B.
"X Syndrome and Physical Activity"

9th BALKAN CONGRESS OF SPORTS MEDICINE 15 - 18. June 1995, Belgrade Yugoslavia

13. Stojković S., Spasić S., Stojković Đ.
"Influence of Exercising on the Change of Some Biochemical and Haematological Parameters in Football Players"
14. Čeliković D., Madžarac D., Jovanović M., Antić V., Veljković B.
"The Influence of Forced Training on Hypersecretion of Stomach Mucus"
15. Erić M.
"The Sportsmen's Nodal Rhythm"
16. Mirić D., Baščarević R., Katanić R.
"Some Biochemical Characteristics of the Serum in the Patients Suffering from Chronic Osteomyelitis"
17. Đurđev D., Đurđev Z., Mileusnić M., Jevtović R.
"The Importance of the Oxygen Limitation in Sports"
18. Doko Z.
"Defining the Level of the Urea Concentration in the Blood of Sportsmen as One of the Recovery Criteria"
19. Janković M.
"The Changes in the Ballistic Muscular Potential Under the Influence of Isometric Muscular Strains in Young Sportsmen"
20. Branković N., Branković S.
"Some Issues of the Intensity, Rest Interval, and Exercise Duration in Physical Education"
21. Savić V., Jovanović S., Đurašković R., Savić D., Stanojević S.
"The characteristic of the Peripheral Atery Bood Circulation in Football Players"
22. Jovanović S., Savić V., Radenković V., Savić D., Stanojević G.
"Plethysmographic Interpretation of the Circulation of Blood in Sportsmen"
23. Kostić O., Ranković G., Panić L., Ob. Kostić, Dimić M.
"Biorhythm and Competition - Physiological Aspects and Clinical Experiences Concerning the Effects of Hydrotherapy"
24. Brdarić R., Matić M., Stajić N., Đorđević V.
"Aerobic and Anaerobic Capacities of the Yugoslav National Football Team Players"
25. Mitrović D., Grujić N., Stanić M., Dražić V., Đorđević-Nikić M.
"Physiological Parameters During Simulated Rowing"
26. Ivanović S., Vujović Z., Babić R.
"Assessment of Exercise Fitness by On-Site Lactate Production Measurement"

27. Poštić-Gruin A., Lončar-Stevanović H.
"Sympatho-Adrenal System Activity of Table Tennis Players"
28. Ilić N., Nikolić Z.
"Heart Rate During Various Pedalling Rates and Resistance Combinations in Bicycle Ergometer Leg Exercise"
29. Nikolić Z., Ilić N.
"Aerobic Power, Ventilatory Threshold and Swimming Results in Female Subjects"
30. Živković M., Sremčević D., Simović M., Abramović D.
"The Possibility of Using Hyperbaric Oxygenation in Subject Training"
31. Andrić M., Grujić N., Kovač M., Lukač D.
"Monitoring Ergometric and Echocardiographic Parameters during One Year of Training Process in Rowers"
32. Grujić N., Jovanović T., Mitrović D., Bjelović M.
"Comparative Analysis of Three Approaches in Measuring Physical Working Capacity in Rowers"
33. Grujić N., Secher N.H., Baćanović M., Lukač D.
"Development of Energy Capacity During Sports Experiences"
34. Branković M., Bubanj R., Stoilković S.
"Kinds of Fitness Estimation in the Training Process"
35. Životić-Vanović M., Dimitrijević B., Živanić S., Šelmić R.
"Validity of New, Ergometric Step Test for Indirect Estimation of the Maximal Aerobic Capacity"
36. Životić-Vanović M., Šelmić R., Dimitrijević B., Živanić S.
"Physiological Basis for Direct Estimation (VO₂ Max) in Ergometric Step Test"
37. Dostanić N.
"Evaluation of Maximal Distance Reached in Apnea Dive and its Dependence Upon Maximal Time Spent in Static Apnea Dive"
38. Dostanić N.
"Medical Aspects of Technical, Emergency, and Medical Care and Security of Apnea Dives Made with the Intention to Make Depth Records"
39. Sarajlić-Živanović A., Yorga V., Micić D.
"The Influence of the Balanced Fitness Program on Insulin Sensitivity of Peripheral Tissue in Young Insulin-Dependent Diabetics"

9th BALKAN CONGRESS OF SPORTS MEDICINE 15 - 18. June 1995, Belgrade Yugoslavia

40. Šekeljčić G., Perić D., Radojević D.
"The Possibilities of Estimation of Functional Abilities of Sportsmen by Modification Step Test"
41. Mijić R., Životić-Vanović M., Živanić S., Dimitrijević B.
"How to Determine the Intensity of Physical Activity on Terrain"
42. Stefanović Đ., Ćirković Z., Milošević M., Blagojević M., Šiljak V.
"Physiologic Aspects of Specific Preparations of Athletes"
43. Milić R., Rotovnik N., Horvat M.
"Cardiovascular and Ventilatory Response to Sudden Effort"
44. Sidtko P.S.
"Quantum Medicine and the Perspectives of Its Implementation in the Recovery of the Physical Condition of the Athletes"
45. Grubnik B.P.
"New Methods in Correction of the Functional and Organic Disorders in the Organism of the Athletes"
46. Milenković P., Ljutić V.
"Possible Occurrence of Spontaneous Pneumo-Thorax under Extreme Physical Loads"
47. Perunović D., Suzić-Todorović B., Stjepanović-Bogdanović S.
"A Overview of Morpho-Functional Characteristics of the Sportswomen Engaged in the Rhythmical Gymnastics, Hand-Ball and Volley-Ball"
48. Vujinović D., Isaković R.
"The Effects of HBO on the Recovery of the Specific Enzymes to Normal Values in Blood after the Weight- Lifters' Trainings"
49. Obminski Z., Stupnicki R., Borkowski L., Lipezyk Z., Rarszozewski R.
"Effect of Pre-championship Training Loads on Serum Cortisol and Testosterone in Karate Athletes"
50. Eisenhöfer W.
"Importance of Warm up in Sport"

Children and Sports

Moderators: Živanić S., Stričević M., Živković M.

1. Živković M., Vuković D., Bjegović V., Jusufrić A.
"Sports and Physical Activities Among Primary School Children in Yugoslavia"
2. Soldatović S.
"March Fracture: The Dark Side of Early Specialization in Sports"
3. Stanojević S., Dražić V., Arandelović A.
"Ankle Distorsion Occurring after Bicycle Riding"
4. Komarčević A., Komarčević M., Milošević S.
"Children Injuries at Riding Bicycles"
5. Kebin V., Ban D., Zobenica M.
"Sports Offer in Prevention Drug Addiction among Pupils"
6. Ivanić V., Ivanić S.
"Basic Anthropological Prerequisites for Successful Sports Practicing in 7-to 10-Year Old Children"
7. Ilić B.D., Jarić S.
"Movements Performed under Different Mechanical Conditions: A Test of Motor Control Theories on Post-Puberty Children"
8. Mitić P.
"20 Years of Sport and Recreation in the Centre for Cerebral Paralysis and Development Neurology"
9. Ugarković D., Drašković D., Eremija M., Nikić M., Arandelović A.
"Body Composition of Boys in Various Sports"
10. Leštarević M.
"Kayak Club as a Prevention of Mental Disorders in Adolescence"
11. Sokal-Jovanović L.J., Košela N.
"Some Indicators of Health Status of Schoolchildren and the Role of Physical Activities in the Process of Proper Development and Learning"

9th BALKAN CONGRESS OF SPORTS MEDICINE 15 - 18. June 1995, Belgrade Yugoslavia

12. Panić L., Kostić O., Milosavljević LJ., Filipov R., Petronijević V.
"Schoolchildren's Sports Injuries of Extremities on the Territory of Doljevac"
13. Jeremić D., Arunović D.
"Some Biomedical Problems of Early Sport Selection of Children"
14. Stojanović D., Mitrović R., Kostić Ž., Živković D.
"The Public Feeding of Pre-School Children - The Possible Factor of Physical and Health Condition"
